

Black Project, Announcement Song

Hey, guys, you know us
Fear the rimes made by us, Baby

Hey, guys, Rock n fun
Ask us we tell you where to go, Baby
No topic too hot, No person too high
Everyones treated in our songs, Paul n Gerd Krte un Ox

The songs are German so you will see
Who are the victims of our gags, Baby

Hey Paul, dont blame us
All we sing is reality, Baby

Hey, Krte, you drive a car,
But sorry, youre crazy in the head, Krte

Maybe you have your driving license
But I wont go with you thats for sure, Krte, Sorry, Krte, Sorry

Maybe were mean but you all know
We just make fun of you mates, Baby

Schneeberch, Schneeberch, We love our town, yeah, Baby
Its full of cool guys like us
And playing soccer is not all we do, Baby

Brats, yeah, proud of it,
You requested that tape n here we go, Baby
Maybe youre cool, maybe youre tall, But we make fun of you all, Ox, Gerd, Krte, Paul
