Black Stone Cherry, What's Love Got To Do With

You must understand That the touch of your hand Makes my pulse react That it's only the thrill Of boy meeting girl Opposites attract

It's physical Only logical You must try to ignore That it means more than that

[Chorus]
Oh whats love got to do, got to do with it What's love but a second hand emotion What's love got to do, got to do with it Who needs a heart

When a heart can be broken

It may seem to you That i'm acting confused When you're close to me If i tend to look dazed I've read it someplace I've got cause to be

There's a name for it There's a phrase that fits But whatever the reason You do it for me

[Chorus]

I've been thinking of a new direction
But i have to say
I've been thinking about my own protection
It scares me to feel this way

What's love got to do, got to do with it What's love but a sweet old fashioned notion What's love got to do, got to do with it Who needs a heart when a heart can be broken
