Blackmore's Night, Gone With The Wind

Twisting turning The winds are burning Leaving me without a name How will we ever find our way... Snow was falling I could hear the frightened calling Fear taking over every man

Life meaning nothing more than sand...

*Wind will sweep away

The traces I was here

A story in a teardrop

That's all I have to give...

Rage inferno swallowing the life that I know

Strength is the only way to fight You must look up to see the light...

Gone With The Wind...Gone With The Wind...Gone

With The Wind...

Take all I know

Turn it into darkened shadows

They'll disappear in the sun

When a new story has begun

She survived the nightmare

Began a whole new life here

But I can see behind those eyes

She still sees those fires in the night...

Twisting and turning

Oh, the winds are burning

Leaving me without a name

How will we ever find our way...
