

Blackmore's Night, Moonlight Shadow

Star dust glowing in the silvery night
Far away on the other side
Will you come to talk to me this night?
She couldn't find how to push through

The last time ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow

Lost in a riddle that Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push through

I stay, I pray
See you in heaven far away
I stay, I pray
See you in heaven far day

The trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadow

All she saw was a silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through

I stay, I pray
See you in heaven far away
I stay, I pray
See you in heaven one day

It was four a.m. in the morning
Carried away by a moonlight shadow
I watched your vision forming
Carried away by a moonlight shadow

Star dust glowing in the silvery night
Far away on the other side
Will you come to talk to me this night?
She couldn't find how to push through

I stay, I pray
See you in heaven far away
I stay, I pray
See you in heaven one day
See you in heaven one day

Star dust glowing in the silvery night
The night was heavy and the air was alive
Moonlight shadow
Star are glowing in the silvery night
