

Bleach, Rock N Roll

I want you to know how I feel
About you about you about you
I want you to know

I want you to know how you feel
About me about me about me
I want you to know

Here I stand upon this stage
Surrounded by a see-through cage
I'm content to sing and shout
If you're content to hear me out
I've got a reason
to rock this place

And so I'm turning up my mic
I'm gonna Rock N Roll all night
In ultrasonic stereo
I'll tell you about the One I know
I've got a reason to rock this place

I want you to know
I want you to know
I want you to know I want you to know
I want you to know I want you to know
I want you to know I want you to know

I want you to know
It's more than Rock N Roll
I gotta superphonic saying
in my brain and it's gonna blow
