Bleach, Warp Factor Five

Hold on, hold on it's a heavy scene Warp Factor Five with me Come along won't you come with me Warp Factor Five you see

This world is buggin' outta control And there's one sure thing for the Godly soul Outta sight to your cosmic home To your cosmic home, your cosmic home Ride along to where I'm going Down the road of gold to your diamond home May you leave tonight past the speed of light May you leave tonight for Paradise Warp Factor Five

So long, so gone to a better scene Warp Factor Five with me Warp Factor Five you see
