

# Blink 182, After Midnight

I can't get my feet up off the edge  
I kinda like the little rush you get  
When you're standing close to death  
Like when you're driving me crazy

Hold on as we crash into the earth  
A bit of pain will help you suffer when you're hurt, for real  
Cuz you were driving me crazy

Bite your lips, your words a robbery  
Do you grin inside? You're killing me  
All along we talked of forever  
I kinda think that we won't get better  
It's the longest start, but the end's not too far away  
Did you know? I'm here to stay

We'll stagger home after midnight  
Sleep arm in arm in the stairwell  
We'll fall apart on the weekend  
These nights go on and on and on

I can't keep your voice out of my head  
All I hear are the many echoes of  
The darkest words you said  
And it's driving me crazy

I can't find the best in all of this  
But I'm always looking out for you  
Cause you're the one I miss  
And it's driving me crazy

Bite your lips, your words a robbery  
Do you grin inside? You're killing me  
All along we talked of forever  
I kinda think that we won't get better  
It's the longest start, but the end's not too far away  
Did you know? I'm here to stay

We'll stagger home after midnight  
Sleep arm in arm in the stairwell  
We'll fall apart on the weekend  
These nights go on and on and on

We'll stagger home after midnight  
Sleep arm in arm in the stairwell  
We'll fall apart on the weekend  
These nights go on and on and on

We'll stagger home after midnight  
Sleep arm in arm in the stairwell  
We'll fall apart on the weekend  
These nights go on and on and on

We'll stagger home after midnight  
Sleep arm in arm in the stairwell  
We'll fall apart on the weekend  
These nights go on and on and on
