

# Blink-182, Anthem Part Two

Everything has fallen to pieces  
Earth is dying, help me Jesus  
We need guidance, we've been misled  
Young and hostile but not stupid

Corporate leaders, politicians  
Kids can't vote, adults elect them  
Laws that rule the school and workplace  
Signs that caution sixteen's unsafe

We really need to see this through  
We never wanted to be abused  
We'll never give up, it's no use  
If we're fucked up, you're to blame

Let this train-wreck burn more slowly  
Kids are victims in this story  
Drown the youth with useless warnings  
Teenage rules, they're fucked and boring

We really need to see this through  
We never wanted to be abused  
We'll never give up, it's no use  
If we're fucked up, you're to blame

Everything has fallen to pieces  
Everything has fallen to pieces  
Everything has fallen to pieces  
Everything has fallen to...

We really need to see this through  
We never wanted to be abused  
We'll never give up, it's no use  
If we're fucked up, you're to blame, blame, blame, blame
