

# Blink-182, Asthenia

Last night it came as a picture  
With a good reason, a warning sign  
This place is void of all passion  
If you can imagine it's easy if you try  
Believe me I failed this effort  
I wrote a reminder this wasn't a vision  
This time where are you Houston  
Is somebody out there will somebody listen

Should I go back should I go back should I  
...I feel alone and tired  
Should I go back should I go back should I  
...I hope I won't forget you

My head is made up of memories  
Most of them useless delusions  
This room is bored of rehearsal  
And sick of the boundaries  
I miss you so much

Should I go back should I go back should I  
...I feel alone and tired  
Should I go back should I go back should I  
...This time I don't want to  
Should I go back should I go back should I  
...I feel alone and tired  
Should I go back should I go back should I  
...I hope I won't forget you

Should I go back should I go back should I  
...I feel alone and tired  
Should I go back should I go back should I  
...This time I don't want to  
Should I go back should I go back should I  
...I feel alone and tired  
Should I go back should I go back should I  
...I hope I won't forget you
