

Blink-182, Boxing Day

Let's get started
Faint and broken hearted
Hold it up i got something i cannot hide
Worst painkiller that all and thriller apart
And departed look in my eyes
Sad, how far you ran
I'll seach this land
Up through the clouds
Then back here
We could reignite
Like fireflies like an atombomb

I'm empty like the day after christmas,
Swept beneath the wave of your goodbye
You left me on the day after christmas
There's nothing left to say and so goodnight

I will follow the trail to tomorrow
With my lonliness with sorrow
All through the night
Sons and daughters, mothers and thier fathers
Crossed the bridges and the waters
For crews left behind
Sad, how far you ran
I'll seach this land
Up through the clouds
Then back here
We could reignite
Like fireflies like an atombomb

I'm empty like the day after christmas,
Swept beneath the wave of your goodbye
You left me on the day after christmas
There is nothing left to say and so goodnight

I'm empty like the day after christmas
Swept beneath the wave of your goodbye
You left me on the day after christmas
There is nothing left to say and so goodnight
