

Blink 182, Boxing Day

Let's get started, the faint and broken hearted
Hold it up, I've got something I cannot hide
The worst painkiller, the all infiller
Apart and departed, look in my eyes

I said
How far you're in
I'll search this land
All through the clouds and back here
We could reignite
Like fireflies
Like an atom bomb
In all hours

I'm empty like the day after christmas
Sweep beneath the wave of your goodbye
You left me on the day after christmas
There's nothing left to say and so goodnight

I will follow the trail to tomorrow
With my loneliness, with sorrow
All through the night
Sons and daughters
With mothers and their fathers
Cast the regions and the waters
The roofs left behind

I said
How far you're in
I'll search this land
All through the clouds and back here
We could reignite
Like fireflies
Like an atom bomb
In all hours

I'm empty like the day after christmas
Sweep beneath the wave of your goodbye
You left me on the day after christmas
There's nothing left to say and so goodnight
