

# Blink-182, Degenerate

Crossed the street, naked at night  
Bent over to show some moonlight  
Pulled out some beer and gulped it down  
Nude in a gutter is how I was found

Thrown in the policecar and the door slammed  
No noise, just silence, as I screamed, my dick was  
Jammed, now in prison for one month, no one to see  
All I got is this guy Ben Dover

Don't like hash  
Don't like rap  
Kicked ol' Sally 'cause she's fat  
I'm a jerk, I'm a punk  
Took a shower cause I stunk  
Smoked a bong, killed a cat  
Had my nuts attacked by rats  
Dad got nude, wore a thong  
For a hobby I make bombs

Went to a farm to tip some cows  
Forgot that I left my pants down  
Bent over to pick them up  
Felt a twelve gauge next to my hum-diddy-dum

The farmer took me to his house  
Showed me the closet from the inside out  
The police came and took me away  
Saw Ben Dover again and he's still gay

Don't like hash  
Don't like rap  
Kicked ol' Sally 'cause she's fat  
I'm a jerk, I'm a punk  
Took a shower cause I stunk  
Smoked a bong, killed a cat  
Had my nuts attacked by rats  
Dad got nude, wore a thong  
For a hobby I make bombs

Don't like hash  
Don't like rap  
Kicked ol' Sally 'cause she's fat  
I'm a jerk, I'm a punk
