

# Blink-182, Don't Leave Me

Don't leave me all alone  
Just drop me off at home  
I'll be fine, it's not the first  
Just like last night, but a little worse and

She said that I'm not the one that she thinks about it  
She said it stopped being fun, I just bring her down  
I said don't let your future be destroyed by my past  
She said don't let my door hit your ass

(Fuck yeah)

One more chance, I'll try this time  
I'll give you yours, I won't take mine  
I'll listen up, pretend to care  
Go on ahead, I'll meet you there and

She said that I'm not the one that she thinks about it  
She said it stopped being fun, I just bring her down  
I said don't let your future be destroyed by my past  
She said don't let my door hit your ass

[Bass solo]

Let's try this one more time with feeling  
One more time with feeling  
One more time with feeling  
One more time with feeling

She said that I'm not the one that she thinks about it  
She said it stopped being fun, I just bring her down  
I said don't let your future be destroyed by my past  
She said don't let my door hit your ass

Don't leave my all alone  
Just drop me off at home, and I'll be fine
