

# Blink-182, Obvious

I saw you again  
I think you used me again  
Should we try this before  
we give up and move on  
And pretend to restore  
what we have and hold on?

At times like this  
It's Obvious

I saw you again  
I know you fucked him again  
Can you comfort yourself  
with the sense of revenge?  
Are you leaving me here  
with the taste of the end?

It times like this  
It's Obvious  
At times like these  
It's obvious

I saw you again and again and again  
There's some room to move on to move on to move on  
And I saw you again and again and again  
How do we fix this if we never had vision? (2x)

(At time like this)  
I saw you again and again and again  
There's some room to move on to move on to move on  
(ITs obvious)  
And I saw you again and again and again  
How do we fix this if we never had vision? (2x)
