

Blink-182, Sometimes

Oh, how I wish that they would last
Moments of peace that just slip through me so fast
Just when I think that they are gonna stay
Everything inside me just starts fading away

Sometimes it seems like all I hope for
Just gets thrown down on the floor
And then it seems like you don't love me anymore
Sometimes I wish that I could run away
Sometimes I wish I just had something to say

She looks at me and doesn't know the words to say
But it's not you, I just don't feel quite right today
All these things I say and do were never planned
But how the fuck am I supposed to make you understand that

Sometimes it seems like all I hope for
Just gets thrown down on the floor
And then it seems like you don't love me anymore
Sometimes I wish that I could run away
Sometimes I wish I just had something to say
