Blink-182, Sometimes

Oh, how I wish that they would last Moments of peace that just slip through me so fast Just when I think that they are gonna stay Everything inside me just starts fading away

Sometimes it seems like all I hope for Just gets thrown down on the floor And then it seems like you don't love me anymore Sometimes I wish that I could run away Sometimes I wish I just had something to say

She looks at me and doesn't know the words to say But it's not you, I just don't feel quite right today All these things I say and do were never planned But how the fuck am I supposed to make you understand that

Sometimes it seems like all I hope for Just gets thrown down on the floor And then it seems like you don't love me anymore Sometimes I wish that I could run away Sometimes I wish I just had something to say
