

# Blink-182, Time

When the clock strikes two  
There's just so much to do  
And I can't explain what I need

Jobs and social groups  
Hearing the latest news  
Keeping your reputation clean

And I don't want to worry  
About being on time  
I see the way you hurry  
And time runs your life  
Again

The difference between East and West  
Money means so much less  
And objects aren't so important to buy

I wish that a clock  
Could often just be stopped  
And then we look into the time

And I don't want to worry  
About being on time  
I see the way you hurry  
And time runs your life  
Again
