

Bliss 66, Photographs (Rare)

Photographs,
pictures of the way we used to be,
you and me.

Memories,
words you used to whisper in my ear,
loud and clear.

I never wanted anything
Never needed anything but you,
now you're gone.
I never wanted anyone
never needed anyone but you,
and I'm alone.

But time can make things change,
And time can make things strange

Shed a tear for yesturday
All the dreams they fade away
And I can't help but think this could be the end.
I made you laugh, you made me cry
I said hello, you said goodbye
And I can't help but think I'm losing a friend.

Destiny,
show me that there's more to life than me,
and what I see.

Heavenly,
tell me someday soon we'll meet again
in the end.

I never wanted anything,
never needed anything but you,
Now you're gone
I never wanted anyone
never needed anyone but you,
And I'm alone

But time can make things change,
And time can make things strange.

Shed a tear for yesturday
All the dreams they fade away,
And I can't help but think this could be the end.
I made you laugh, you made me cry
I said hello, you said good bye
I can't help but think I'm losing a friend.
