This is not the time, the time to start a new love  
This is not the time, the time to sign a lease  
Try not to worry about what's forgotten  
Try not to worry about what's being missed

Scars on my shins, scars on my knuckles  
Today I woke up in the basketball court  
John Joe's in Sydney and he ain't returning  
I'm sitting in Soho trying to stay drunk

In any part of the world  
From Silver Lake to Williamsburg  
You can pick another stranger  
And fall in love

This is not the time, the time to start a new love  
This is not the time, the time to sign a lease  
Try not to worry about what's forgotten  
Try not to worry about what's being missed

Bleeding gums and v-veins protruding  
You try to hate all of your clothes  
The Mayor's in L.A. and she ain't returning  
I'm sleeping with people I don't even like

In any part of the world  
From Silver Lake to Williamsburg  
You can pick another stranger  
And fall in love

When I saw you last night, I wanted to say,  
Run away with me, away from the cynics  
That this could be the start of something truly real  
But all that I could say was, hey?  
Was, hey, was, hey, was, hey
