

Blonde Redhead, Pier Paolo

I turn to you
young man poet insane
for you I find myself alone too soon

today you are in my way
18 a promising age
the sweetest act of life repeated till I bled

CHORUS:
a place in the world
an expression
no salt no fear
cautiously with you
on detention
i submit and you smile

unknown and uninvited
as for me my life today
young man insane you are i pray
i pray to you..i pray
i am here alone with you
and one plus one the sun

CHORUS
