What's the definition?
How much did she mention?
How much does she know?
Can I find the right words to say?
The right words are so hard to say

It's a challenger puzzle from the magazine section
Across with the questions
Do the ethics of reference
One hundred twenty brain teasers to torment you
One hundred thoughts
I can't find the right words to say
My meaning's not quite getting through
The right words are so hard to say
Can I find the right words for you?
Let's not hedge our bets because the odds are dependent
Please listen instead now the whispers are ending
The point's misleading as points often do
Can I find the right words for you?
