

Blondie, Hanging On The Telephone (Remix)

Your voice across the line gives me a strange sensation
Your voice across the line gives me a strange sensation
Your voice across the line gives me a strange sensation
Your voice across the line gives me a strange sensation
(repeat)

Your voice across the line gives me a

Your voice across the line

Your voice across the line

Your voice across the line

(repeat)

I'd like to talk where I can show you my affection

I'd like to talk where I can show you my affection

I'd like to talk where I can show you my affection

I'd like to talk where I can show you my affection

(repeat)

Your voice across the line gives me a strange sensation

Your voice across the line gives me a strange sensation

Your voice across the line gives me a strange sensation

Your voice across the line gives me a strange sensation

(repeat)

Your voice across the line gives me a

Your voice across the line

Your voice across the line

Your voice across the line

(repeat)

Your voice across the line gives me a strange sensation

Your voice across the line gives me a strange sensation

Your voice across the line gives me a strange sensation

(repeat)
