

Blondie, You Look Good In Blue

(Hey, what's your favourite colour?
You look good in blue)
You look good in blue
It matches your skin your eyes dripping with pain
Someone like you, getting off on the lies
'Cause it dulls your surprise again
If it's alright with you, I could give some head
and shoulders to lie on
You look good in blue
I know what you mean when, you say you've seen the end
Someone like you been at it again
You knew what was up in the end
If it's alright with you
I could give some head and shoulders to lie on
Throw your weight on me baby
Don't complain on me baby

Escape in me next to me
I'm tired always tired and I got not place to sleep
Don't mind dividing down the line
Can't say that I'm complaining
'Cause I got no place to play yeah
Don't mind dividing down the line
(Hey, wait a minute, one more thing)
You look good in blue
It matches your skin your eyes dripping with pain
If it's alright with you
I could give some head and shoulders to lie on
Yes I could give some head
and shoulders to lie on
