

Blondie, You Look Good In Blue (Live In Dallas 1980)

Hey!

What's your favorite color?

You look good in blue!

You look good in blue.

It matches your skin, your eyes dripping with pain.

Someone like you, getting off on the lies 'cause it dulls your surprise again.

If it's alright with you, I could give you some head

...and shoulders to lie on.

You look good in blue.

I know what you mean when you say you've seen the end.

Baby, someone like you, been at it again, you knew what was up in the end.

If it's alright with you, I could give you some head

...and shoulders to lie on.

Throw your weight on me baby.

Don't complain on me baby.

Oh, escape in me, next to me.

I'm tired, always tired and I got no place to sleep.

I don't mind dividing down the line.

You can't say that I'm complaining 'cause I got no place to play, yeah.

I don't mind dividing down the line.

Oh, wait a minute...

One more thing.

You look good in blue.

It matches your skin, eyes dripping with pain.

If it's alright with you, I could give you some head

... and shoulders to lie on.

Yes, I could give you some head

...and shoulders to lie on.

Ah, thank you.

Hey lemme I gotta stand up here for a minute.

Hi, you all have plenty of room back there? What's going on?

You're all squished in up here, it's so hot!

So take a breather.
