

# Bloo Crane, Dancing

I like talking to myself  
And dance like no one is watching  
Overthinking every move i make  
And do things that i am lovin'  
I like driving my car with friends  
And having no destination  
One thing that keeps me up at night  
Is a feeling of frustration

Then i am  
Dancing  
Dancing  
Dancing  
Dancing  
Dancing  
Blue feelings away
