Blood Duster, Kill, Kill, Kill

An all-American boy Voted likely to succeed Started hearing voices So he made people bleed

He had to kill 13
Stopping earthquakes
Was his dream
by 1972
Herb became a normal dude
But he kept hearing voices
He was in a violent mood
He had to kill 13
Stopping earthquakes was his dream

Voices told Herb 13 must be killed He did his best That the orders were fulfilled Splattered with their blood More fun in Santa Cruz.
