Blood Or Whiskey, Rudy

There's someone coming down for you Rudy There's someone coming down for you There's someone coming down for you Rudy There's someone coming down for you I do it for you don't you know that I do it for you I do it for you I do it for you don't you know that You know I do it for you You're causing problems in this town Drinking, drugs acting the clown I hope some day you realise You can't be living your life through these eyes.
