

Bloodywood, Dana Dan

I put a fist through the face of a rapist
And yeah, I tape this
For the viewing pleasure of the nameless faces he disgraces
And yeah one day I may change his kind
With my mind, but

I won't bow to the beast, never make peace
It feasts only if you're gonna let it eat
So the wife beater 'boutta get a beating on the beat
I'ma get 'em at the home and the street
Dead meat, delete, going off like a time bomb
White heat, choke 'em out like a python
Bonafide homicide then we're gonna ride on
Up into your mind and then we're gonna fight on

Dekh jakade bhitari haivan
Dekh mitt gaye sabhya ke nishaan
Dekh parde ke saamne ka saadhu kaise parde ke peechhe jaake bann gaya shaitaan

Laaton ke bhooton ka maran
Naape guddi
Dhar ke gardan

Laaton ke bhooton ke bajegi joot

"Consent" better get with it or get got
Gotchu in my sights, motherfucker, it's a head shot
You up on the spot, a new start or rot, yeah

Not all men, yes, all men
Need all men for what we're solvin'
Can't be what it's been but we're evolvin'
You see for yourself now get involved in
Talking all in, do more, boy, it's a war
Chainsaw to the dead weight, leave it raw
Bloody galore as we clean out the core
Yeah, we do it for her, so we kick in the door

It's anarchy up in the patriarchy and we're lovin' it
We done asking nicely, so now we here thuggin' it
No man and no woman, it's the people that are runnin' it
Listen for that engine, 'cause now we're gonna be gunnin' it

Dekh jakade bhitari haivan
Dekh mitt gaye sabhya ke nishaan
Dekh parde ke saamne ka saadhu kaise parde ke peechhe jaake bann gaya shaitaan

Laaton ke bhooton ka maran
Naape guddi

Now if you strayed, time to turn back
And run with the pack
It's time to fight, yeah, yeah, we got the ammo to stack
Fuck every man for himself, it's every man for every man and everybody else
Everybody else

I raise a fist for the nameless faces he disgraces (Rise)
Raise a fist for the nameless faces he disgraces
And yeah, one day I may change his kind with my mind
One day I may change his kind with my mind

I raise a fist for the nameless faces he disgraces (Rise)
Raise a fist for the nameless faces he disgraces
And yeah, one day I may change his kind with my mind
One day I may change his kind
But until then
