

# Blue System, 6 Years - 6 Nights

I wait 6 years, I wait 6 nights  
Wind this rope, a second chance  
(I'll wait)  
I call your name like in a trance  
(I'll wait)  
I will run to you, I will die for you  
Divided hearts, divided soul  
(I'll wait)  
I'm burnin' in a flame of hope  
(I'll wait)  
I'll run to yo, I will die for you  
You can run, you can hide  
Love is like a lie  
Can't you see?  
I wait 6 years, 6 nights for you  
I give my heart, my pride that's true  
I will wait, I will wait till I need you  
I will wait, I will wait my dreams come true  
I wait 6 years, 6 nights for sure  
I give my heart, no fight before  
I will wait, I will wait down in the flame  
I will wait, I will wait, see you again  
I wait 6 years, I wait 6 nights  
A missin' heart, a lonely sky  
(I'll wait)  
Above the clouds I hear the cry  
(I'll wait)  
I'll run to you, I will die for you  
A friend you win, a friend you lose  
(I'll wait)  
Baby take a broken fool  
(I'll wait)  
I'll run to you, I will die for you  
You can run, you can hide  
Love is like a lie  
Can't you see  
I wait 6 years, 6 nights for you  
I give my heart, my pride that's true  
I will wait, I will wait till I need you  
I will wait, I will wait, my dreams come true  
I wait 6 years, 6 nights for sure  
I give my heart, no fight before  
I will wait, I will wait down in the flame  
I will wait, I will wait, see you again  
Please forgive my heart  
Forgive my heart  
Please forgive my heart  
Forgive my heart  
I wait 6 years, 6 nights for you  
I give my heart, my pride that's true  
I will wait, I will wait till I need you  
I will wait, I will wait, my dreams come true  
I wait 6 years, 6 nights for sure  
I give my heart, no fight before  
I will wait, I will wait down in the flame  
I will wait, I will wait, see you again
