

Blue System, This Old Town

Baby, I will hurt you
Oh, come let me alone
Heart is a heart and a home is a home
Baby, I will find you
I will get you by phone
Heart is a heart and a home is a home
If you fool me sister
Drive me mad
Under pressure - maximum sex

This old town ain't big enough
Baby, for the two of us
It's the end of an old love odyssee
This old town ain't big enough
Baby, for the two of us
I will see you - I will hold you in L.A.

Baby, I will please you
But you leave me alone
Heart is a heart and a home is a home
Baby, I will hate you in a danger zone
Heart is a heart and a home is a home
Oh, you're so good sister
Drive me mad
Under pressure - maximum sex
