## Bo Bruce, Alive

Walking down the highway Traffic's coming my way All I see are flashing lights

People there in blue suits Wanna know the real truth How many did I have tonight?

Looking at the wreckage Anyone would guess that all inside had died but I'm alive

Wake up in a strange bed Angels over my head One of them is shouting clear

Thousand bolts of lightning
Bring me back to life and it's a miracle that I'm still here
As I'm coming to I'm screaming out for you
I need you by my side, oh I'm alive

No I didn't pray to God No I never saw the light No I didn't watch my life go flashing right before my eyes No I didn't do the things that they all said that I would do I just closed my eyes and all I saw was you

All the things in my head Everything left unsaid I never got a second to say

Knew that I adored you
The moment that I saw you
Just terrified you'd push me away

We're all dying slowly Just want you to hold me What are we waiting for? We're alive!

No I didn't pray to God No I never saw the light No I didn't watch my life go flashing right before my eyes No I didn't do the things that they all said that I would do I just closed my eyes and all I saw was you

If I don't die lying in the rain and I live another day then I run to you Cause I don't have regrets, just things I'd never say out to you

No I didn't pray to God No I never saw the light No I didn't watch my life go flashing right before my eyes No I didn't do the things that they all said that I would do I just closed my eyes and all I saw was you
