

# BoA, Did Ya

Guess you lose and it's too late to try to come back  
What part of no don't you understand? Too bad  
There you go down with yesterday's news in the trash can  
I got no time to be looking back, I'm past that  
And now you wanna change, it's too little too late  
You shoulda loved me right when you had me  
(shoulda shoulda but you didn't did ya?)  
You shoulda known I'm not gonna sit around  
And wait for you to get your act together, shoulda known better  
Don't say you wanna, don't say you were gonna  
You shoulda loved me right but you didn't, did ya?  
Gotta a new place, a hot ride, this Gucci handbag  
to match my kicks and my brand new plan, hey now  
Why the look of confusion? Oh sorry, my bad  
Forgot to mention my brand new man, take that  
Say you wanna change, it's too little too late  
You shoulda loved me right when you had me  
(shoulda shoulda but you didn't did ya?)  
You shoulda known I'm not gonna sit around  
And wait for you to get your act together, shoulda known better  
Don't say you wanna, don't say you were gonna  
You shoulda loved me right but you didn't, did ya?  
Take a good look 'cause it's the last you'll see of me  
(Take a good look, take a good look baby)  
Memorize this, all you have are memories  
(Memorize this, 'cause it's all you get to keep)  
No words, no rings, not a damn thing is gonna bring me back to you  
I'm so over you  
You shoulda loved me right when you had me  
(shoulda shoulda but you didn't did ya?)  
You shoulda known I'm not gonna sit around  
And wait for you to get your act together, shoulda known better  
Don't say you wanna, don't say you were gonna  
You shoulda loved me right but you didn't, did ya?
