

Bob Geldof, The great song od indifference

I dont mind if you
go I dont mind if you take it slow
I dont mind if you say yes or no I dont mind at all
I dont care if you live or die
Couldnt care less if you laugh or cry
I dont mind if you crash or fly
I dont mind at all
I dont mind if you come or go
I dont mind if you say no
Couldn't care less baby let it flow
Cos I dont care at all
Na na na...
I dont care if you sink or swin
Lock me out or let me in
Where I'm going or where I've been
I dont mind at all
I dont mind if the government falls
Implements more futile laws
I dont care if the nation stalls
I dont care at all
I dont care if they tear down trees
I dont feel the hotter breeze
Sink in dust in dying seas
I dont care at all
Na na na...
I dont mind if culture crumbles
I dont mind if religion stumbles
I cant hear the speakers mumble
And I dont mind at all
I dont care if the THird World fries
Its hotter there I'm not surprised
baby I can watch whole nations die
And I dont care at all
Na na na...
I dont mind about peoples fears
Authority no longer hears
Send a social engineer
An I dont mind at all
