

# Bob Rivers, Buttcracker Suite

"Thong March"

Thong!  
What a delightful gift idea  
Thong!  
Magical shorts that disappear  
Buy your loved one this Nol  
The kind of gift he can't resell  
Because it kind of smells  
If someone else has tried it on

Thong!  
You could be dancing cheek to cheek  
Thong!  
Wiggle the string: play hide and seek  
Buy your workmate or your boss  
The proctologic dental floss  
That really works a hair across  
His astronomic bum  
Thong!

"Dance of the Plumber Fairy"

See the repair man go  
Tink-a-tink, tink-a-tink, tink-a-tink  
Working on the sink  
(Bending way down low)  
See the big tool belt go  
Slippy-slip, slippy-slip, slippy-slip  
Sliding down his hip  
(Say it isn't so)  
See the rear cleavage go  
Peek-a-boo, peek-a-boo, peek-a-boo  
Cheekies sneaking through

(See ya at so n so)  
See the plumber  
(Doesn't even show)  
What a bummer  
(Got a dial tone)  
Called a number  
(On the telephone)  
Hire someone else

"Wedgie Dance"

(Lunge!)  
Spin around and stretch and lunge  
And (leap!)  
Do a kick and shake your buns  
And fix those wedgies everyone  
(Let's go!)

(Twirl!)  
Double dip and somersault  
Then (split!)  
Shuffle back and twist and fall  
And fix those wedgies  
Fix those wedgies  
Let's go people  
Fix those wedgies

Cracks are flyin'  
Just keep pryin'  
And pull  
(Pull apart!)  
And pull  
(Pull apart!)  
And pull  
(Pull apart those leotards!)

"Waltz of the Buttcrackers"

Please just say no to crack  
When you spot butt crack, attack  
You can see a trucker change a tire  
Or a cable worker fix a wire  
Let him know his bottom line is looking out  
Somehow you don't admire it

So, everybody, please just say no to crack  
Give all those crack backs a sack  
If you see a plumber show a breach  
Or a tubby hubby on a beach  
Sneak right up behind his back and strike a match and drop the burning sulfur right between his ch

Because as sure as tax and death surround us  
Cracks are all around us  
Slacks fall to the ground as  
Miles and miles of smiles going up and down

Everybody  
(Don't) Be a bum  
(Show) You're a crumb  
(Crack) Get a grip  
Fix your drawers  
(Take) Every thong  
(Them) Right along  
(Back) Take em back  
To the stores

Show some class and hide that massive astronomic butt crack

(Don't) Gimme no flak  
(Show) Cover the crack  
(Butt) Gimme the thong  
(Crack) Hurry along

Buttcrackers just aren't sweet
