

Bob Schneider, Big Blue Sea

Woke up in a stupor
Guess it's time to face the pooper
Sometimes I feel like superman
Sometimes I'm just recuperating

My head is twisting in its cage
My mind feels like a twenty gage
Hope it's just a passing stage
My hearts not red it's beige

And its days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
But I think I'll tell you all that I know

I tried to tell you all about it
I thought you might've heard I doubt it
And everyday's a waste I know
And everydays a funeral

I'm cutting out I'm feeling lost
I've lost my mind I'm Mr. Frost
I've collected all the evidence
I'm off the edge I'm on the fence

And its days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
But I think i'll tell you all that I know

I wanna be alone
I want to be a stone
I wanna Sink to the bottom of the ocean
Lie there with you until I'm gone
At the bottom of the big blue sea
Just you and me
At the bottom of the big blue sea
At the bottom of the big blue sea
Just you and me
At the bottom of the big blue sea

I know I'll never know nobody
Better than I know myself
But I can't even figure out
Just what the F**K I'm all about

I'm sinking, I'm swimming
No wait a minute I'm drowning
I aint kidding around
Sometimes I think Im gonna make it
Sometimes I fakeing it

And it's days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
But I think I'll tell you all that I know

Anywhere and everywhere
Made up my mind it's getting weird
It's queer to think it might not
Get much better than today I fear
Won't ever know true happiness
I tried so hard I did my best
But my best just wasn't good enough

Oh god I hate this stuff

And it's days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
But I think I'll tell you all that I know
I don't wanna be alone
I wanna be a stone
I wanna sink to the bottom of the ocean
Laugh there with you, laugh there with you till I'm gone
At the bottom of the big blue sea
Just you and me

At the bottom of the big blue sea
At the bottom of the big blue sea
Just you and me
At the bottom of the big blue sea

Its days like this that burn me
Turn me outside out and learn me (x3)
Not to tell you anything i think i know
