

Bobby Valentino, Boy Shorts (Love You Down)

[Chorus:]

Baby let me love you down
I'm comin over
(All the way down)
Have on your bra top
And some boy shorts [x4]
(That's what I texted)

[Verse 1:]

I'm doin 80 on the freeway
Headed to you
And I been workin hard all day
Thinkin bout you
How was your day
Mine was fine
But I couldnt get you off my mind
You've had a stressful day
But baby I can love the pain away
Light some candles
Take out a bottle
Let me lay your body down
While you make them freaky sounds
Cause I just wanna give it to you
My pretty baby
Aint nothin like makin love to you
It drives me crazy

[Chorus:]

Baby let me love you down
I'm comin over
(All the way down)
Have on your bra top
And some boy shorts [x4]
(That's what I texted)

[Verse 2:]

Knock knock on the door
Rose petals on the floor
Its time we make sweet love

I just cant get enough
Take ya boy shorts off
Ooh ya skin so soft
It feels so good inside
When I'm between ya thighs
Light some candles
Take out a bottle
The thought of layin dat body down
And you makin them freaky sounds
Cause I just wanna give it to you
My pretty baby
Aint nothin like makin love to you
It drives me crazy

[Chorus:]

Baby let me love you down
I'm comin over
(All the way down)
Have on your bra top
And some boy shorts
(Its time to take that off)

[Bridge:]

I wanna see whats under there

Wanna rub my fingers thru ur hair
(I'm bout to break you off)
We can do it anywhere
(From the bedroom to the kitchen)
Cause thats what I say
Cause thats what I say [x2]

[Chorus:]
Baby let me love you down
I'm comin over
(All the way down)
Have on your bra top
And some boy shorts [x4]
(That's what I texted
