

Bobby Valentino, Tonight

Chorus:

I wanna see what's under there,

Tonight,

I wanna rub my fingers through your hair,

Tonight,

I wanna see what's under there, let make love girl I'm so anxious I've been waiting for tonight.

Verse: 1

Baby when I saw you chillin in the club, I knew I had to have you I wanted to make love,

Won't you come on with me drop your girlfriend off cause I really want you girl let's go to bobby's w

Come a little closer whisper in your ear tell you sweet nothings things you like to hear yea,

I see you turning all the fella's down and now they lookin at me jealous now girl put your drink down

Let's ride out girl.

Chorus:

I wanna see what's under there, (I wanna see what's under there)

Tonight,

I wanna rub my fingers through your hair, (o ho)

Tonight, (oh no baby)

I wanna see what's under there, let make love girl I'm so anxious I've been waiting for tonight.

Verse: 2

Now we back at my crib

The fire place is on,

I know it's just the first night

But you ain't got no panties on, (Ooooh)

Why you gotta go and tempt me like that, your so sexy girl I can't hold back a blind man can see th

Doing all the things that cha boyfriend never did,

Call in sick tomorrow, breakfast in bed (Ooooooh)

I hear your cell phone ringing now, you can't hear it cause your moaning loud bodies colliding, I'm s

Chorus: x2

I wanna see what's under there, (I wanna see what's under there baby yea)

Tonight,

I wanna rub my fingers through your hair, (o ho)

Tonight, (oh no baby)

I wanna see what's under there, let make love girl I'm so anxious I've been waiting for tonight.

Bridge:

It's not a one night stand,

This is not a one night stand, maybe I can your man your man your man

Sex is so damn good headboards knockin on the wood

We wakin up the neighbors kiss your neck to your navel,

This is not a one night stand, maybe I can your man your man your man

Sex is so damn good headboards knockin on the wood

Wakin up the neighbors I'll kiss you down to your navel babe

Lead Out: x2

I wanna see what's under there, (I wanna see what's under there)

Tonight,

I wanna rub my fingers through your hair,

Tonight,

I wanna see what's under there, let make love girl I'm so anxious I've been waiting for tonight.
