

# Bobby Vinton, Over The Mountain Across The Sea

Over the mountain  
Across the sea  
There's a girl, she's waiting for me

Cross over the river, beyond every cloud  
She's passed the wind that's blowing loud  
Over the mountain, a girl waits for me

Tell all the sands and every blade of grass  
Please tell the wind to let my love pass  
Over the mountain, a girl waits for me

Tell the moon up in the sky  
Tell the birds that fly by  
That over and over and over the mountain  
My love waits for me

Into each dark and starry night  
Oh, what a mystery that's sealed so tight  
Over the mountain, a girl waits for me
