

# Bobby Womack, Daylight

Well, looks like I'm going again  
I can't seem to believe myself  
Here I go again here I go again  
here I go again listen to me now  
It's five o'clock am and the party  
is still going strong, there's a  
conversation going in the corner  
Big Ed is all on the lawn  
and the fm music is groovin'  
folks getting down getting down  
in their stocking feet  
sleepy eyes are peeping  
from the window across the street

(chorus) and it looks like daylights  
gonna catch me up again  
most people like getting up  
when I'm just getting in  
oh its the only only time  
it seems to be the only time  
when I can unwind

Swore to myself, time and time  
and time again that I would give  
up the night life and start layin' in  
but it ain't easy no no  
sayin' no to my friends  
cause the real cause the real  
set don't get started till everyone  
else is in

(Repeat chorus)
