

# Bobo in White Wooden Houses, Breaking The Waves

breaking the waves  
I am all blue  
blue like the sea  
I am watching you

here by the ocean  
I sit all alone  
hear the seagulls laughter  
my heart feels like a stone

like stone  
like shell  
a broken shell  
taken from it's home  
drowned by the open sea  
it was whole  
it was whole

breaking the waves  
breaking the waves
