

# BOKKA, Walk On A Wire

Swimming in the sea  
Swimming out of trouble  
Hoping it will do  
What it does for others

Hanging by a thread  
I fail to see  
I walk on a wire  
Like a needle in hay  
Invisibly  
I walk on a wire

Living after dark  
Sleeping through the daytime  
Waiting for the end  
Hoping for a fade out

Hanging by a thread  
I fail to see  
I walk on a wire  
Like a needle in hay  
Invisibly  
I walk on a wire
