

# Bon Iver, 10 DEATHbREasT

Fe, fever rest  
Fever rest  
(Wild heart, wild heart)  
I cut you in  
Deafening  
Fever rest  
(Darling didn't love right)  
I've been sleeping in a stable, mate  
Not gonna do you no favors  
What I got is seen you trying  
Or take it down the old lanes around  
Fuckified  
Darling don't make love, fight it  
Love, don't fight it  
Love, don't fight it  
Love...  
Well I'll wrap you up  
And I take it by the touch  
Darling don't a failure fright  
Times the raker  
And I'll rack it up  
I'm unorphaned in our northern lights  
Dedicoding every daemon  
Taken in the tall grass of the mountain cable  
And I cannot seem to find I'm able
