

# Bon Jovi, August 7, 4:15

this romeo is bleeding  
but you cant see his blood  
its nothing but some feelings  
that this old dog kicked up  
its been raining since you left me  
now i'm drowning in the flood  
you see i've always been a fighter  
but without you i give up  
now i cant sing a love song  
like the way its meant to be  
well, i guess i'm not that good anymore  
but baby, thats just me  
yeah i will love you  
baby-always  
and i'll be there forever and a day-  
always  
i'll be there til the stars dont shine  
til the heavens burst and  
the words dont rhyme  
and i know when i die, you'll be on my mind  
and i'll love you-always  
now your pictures that you left behind  
are just memories of a different life  
some that made us laugh, some that made us cry  
one that made you have to say goodbye  
what i'd give to run my fingers through  
your hair  
to touch your lips, to hold you near  
when you say your prayers  
try to understand  
i've made mistakes, i'm just a man  
when he holds you close, when he pulls you near  
when he says the words you've been needing to hear  
i'll wish i was him 'cause those words are mine  
to say to you til the end of time  
yeah, i will love you  
baby-always  
and i'll be there forever and a day-  
always  
if you told me to cry for you  
i could  
if you told me to die for you  
i would  
take a look at my face  
there's no price i wont pay  
to say these words to you  
well, there aint no luck  
in these loaded dice  
but baby if you give me just one more try  
we can pack up our old dreams  
and our old lives  
we'll find a place where the sun still shines
