

# Bon Jovi, Burning For Love

I've been lied to, you been cheated  
I've been cried to, you been mistreated  
I've been watching you, you want action  
You need love and I need satisfaction

Chorus:

I'm burning for love  
Filled with desire  
I can't stand the heat  
And my heart's on fire  
I can't get enough  
It's down to the wire  
I'm making my move, I'm looking for you  
I'm burning for love

You're the victim it's in your eyes  
I'm the suspect and love's the crime  
Tensions mounting bodies shaking  
I can't take the anticipation

Chorus

Now that I got you in my sight  
Can't take another sleepless night  
Oh, no, no  
You can run but you can't hide  
You're the only one I need  
To feel the fire inside

Chorus
