

# Bon Jovi, I Love This Town

I always knew, that I liked this place  
You don't have to look too far to find a friendly face  
I feel alive when I'm walking on the street  
I feel the heart of the city pounding underneath my feet

[CHORUS]

Yeah, let the world keep spinning round and round  
This is where it all goes down, down, down  
That's why I love this town  
That's why I keep coming 'round

Say hey (say hey)  
Say yeah (say yeah)  
You make me feel at home somehow, right now  
That's why I love this town

I've got some good friends here, I might have broke a heart or two  
It's getting loud over there, the boys must've had a few  
And hey the cop on the corner, he knows everybody's name  
And a kid with a train singing for some spare loose change

CHORUS

Say hey (say hey)  
Say yeah (say yeah)  
You make me feel at home some how, right now  
That's why I love this town

[GUITAR SOLO]

There's shouting from the rooftops  
Dancing on the bars  
Hanging out the window  
Driving in their famous cars  
You want it? You got it  
You ready? I'm on it  
Come on now, here we go again

That's why I love this town  
That's why I love this town

No matter where you're from, tonight you're from right here  
This is where it all goes down, down, down  
That's why I love this town

Say hey (say hey) say yeah (say yeah)  
I love this town
