

Bon Jovi, Not Fade Away

I'm gonna tell you how it's gonna be
You're gonna give your love to me
I'm gonna love you night and day
Well love is love and not fade away
Well love is love and not fade away

My love bigger than a Cadillac
I try to show it and you're drivin' me back
Your love for me has got to be real
For you to know just how I feel
Love is real and not fade away
Well love is real and not fade away

I'm gonna tell you how it's gonna be
You're gonna give your love to me
Love to last more than one day
Well love is love and not fade away
Well love is love and not fade away
Well love is love and not fade away
Love, love is love and not fade away
Not fade away
Not fade away
