Bon Jovi, Real Life

You - you got a nasty reputation

We're in a sticky situation

it's down to me and you

So tell me - is it true

they say there ain't nobody better

Well now that we're together

Show me what you can do

You're under the gun

Out on the run

Gonna set the night on fire

You're out on the run

Under the gun

And playin' to win

Raise your hands

When you want to let it go

Raise your hands

When you want to let a feeling show

Raise your hands

From New York to Chicago

Raise your hands

From New Jersey to Tokyo

Raise your hands

I - I've been out on the front line

Where you'll go down if you waste time

They'll walk all over you

But Í - I ain't here looking for surrender

I'll raise the flag if you'll defend her

It's up to you

You're under the gun

Out on the run

Gonna set the night on fire

You're out on the run

Under the gun

And playin' to win

Raise your hands

When you want to let it go

Raise your hands

When you want to let a feeling show

Raise your hands

From New York to Chicago

Raise your hands

From New Jersey to Tokyo

Raise your hands

Raise your hands

(solo)

Raise your hands...

Raise your hands...

Raise your hands

When you want to let it go

Raise your hands

When you want to let a feeling show

Raise your hands

From New York to Chicago

Raise your hands

From New Jersey to Tokyo

Raise your hands

Raise your hands
