

# Bon Jovi, Rosie

(Sambora, J Bon Jovi, Child, Warren)

Rosie watch doin' in this low class joint  
Dancin' in the dark all day  
You used to be the darlin'  
Of your high school scene  
Now you put your love on display  
Sweaty hands hand you up a dollar bill  
Hungry eyes never seem to get their fill  
I used to watch you walkin' down the hall  
Rosie do you see me  
When you hear them call your name

Rosie, Rosie I wanna take you away  
Rosie, Rosie I'm gonna make you mine someday

Rosie, I went with you for that rose tattoo  
You promised no one else would see  
I used to wait and drive you home from dancin' school  
Remember when you danced just for me  
Our love was deeper then the night was long  
But things just didn't work out like our favorite song  
I used to watch you walkin' down the hall  
Rosie do you see me  
When you hear them call your name

Rosie, Rosie I wanna take you away  
Rosie, Rosie I'm gonna make you mine someday

Do you remember  
Our love was deeper then the night was long  
But things just didn't work out like our favorite song  
I used to watch you walkin' down the hall  
Rosie do you see me  
When you hear them call your name

Rosie, Rosie I wanna take you away  
Rosie, Rosie I'm gonna make you mine someday

Rosie, Rosie I wanna take you away
