

# Bon Jovi, Shot Through The Heart

Would you be content to see me crying  
After all those little games you put me through  
After all I've done for you you're lying  
Wouldn't it be nice to tell the truth

Didn't somebody somewhere say  
You're gonna take a fall  
I gave you everything  
Now here's the curtain call

[Chorus:]  
Shot through the heart as I lay there alone  
In the dark through the heart  
It's all part of this game that we call love

Now you've come back here to say you're sorry  
But I don't know who you're talking to  
It could be the man I used to be, girl  
But I've grown up and now I'm over you

Standing there just a live wire  
With nowhere left to turn  
You were gonna set the world on fire  
When will you ever learn?

[Chorus]

Didn't somebody somewhere say  
You're gonna take a fall  
I gave you everything  
Now here's the curtain call  
And I'm shot...

Baby does what baby please  
And baby must have what she sees  
But not this time, the tables turned  
Baby, you just got burned

[Chorus]
