

# Bon Jovi, Story Of My Life

Yesterdays a memory  
Another page in history  
You sell yourself on hopes and dreams  
That leaves you feeling sideways.  
Tripping over my own feet  
Trying to walk to my own beat  
Another car out on the street trying to find the Highway  
Yeah, Are you going my way?

[Chorus]

This is the story of my life  
And I write it everyday  
I know it isn't black and white  
And it's anything but grey  
I know that no I'm not alright, but I feel ok cos  
Anything can, everything can happen  
That's the story of my life

I gonna write the melody  
That's gonna make history,  
And when I paint my masterpiece I swear I'll show you first  
There just ain't a way to see who and why or what will be  
Till now is then  
It's a mystery, it's a blessing and a curse  
Or something worse

[Chorus]

This is the story of my life  
And I write it everyday,  
And I hope you're by my side when I'm writing the last page

[Chorus x2]
